CHILD SPONSORSHIP

COMPASSION AS A LIFESTYLE

DO SOMETHING THAT MATTERS

Most of us grow up hearing, "You can be whatever you want to be." But for millions around the world, it is not that simple. Lack of adequate food, clean water, health care, spiritual direction, and education can limit the possibilities for a child's future.

An estimated 22,000 children under age five die each day from preventable causes. This seems overwhelming, but we must remember that we live in a world of God's abundance. One person's act of love can make a difference.

Jesus tells us, "Whatever you did for one of the least of these, you did for me" (Matthew 25:40). DO SOMETHING THAT MATTERS. Sponsor a child for \$25 a month. You can sponsor alone, with family, with friends, or as a group. No less than 80% of your contribution goes directly toward providing children the tools and resources to achieve a better future.

You have the opportunity to develop a relationship with the child you sponsor.* As a sponsor, you will receive a photo, information about your child's life, and a bookmark as a reminder to pray for your child.
